

Euan Macleod

Dog Beach, Newcastle

**Coming from New Zealand,
I feel more comfortable near
the coast. Water seems to have
a calming effect.**

Peter O'Doherty

Behind the beach, Surfers Paradise,
2007. Oil on canvas

**Surfers Paradise - on one side
of the street an unruly eruption
of high-rise and on the other
these neat fences, trees and
sweeping beach. Perfect.**
